Please answer the following questions, taking as much space as you need, and attach them to this application form.

7. Project rationale: The reason we think this project would be helpful is...

8. Background to the request:

- a. What human need in this community is the project setting out to meet?
- b. How did this need come to the attention of your organisation?
- c. Who experiences this need?
- d. Approximately how many people will benefit from this project?
- e. Where are they located?
- f. Have they been involved in identifying the need and planning the project?
- g. How will the project further the aims of your organisation?

9. What are the objectives of the project in order of priority:

How will achievement of these objectives contribute to meeting the needs described above?

10. Methods:

What steps will your organisation take to implement the project?

Who will be involved in implementation of the project and in what ways?

11. Social Justice:

In what ways will the project promote or bring about a greater degree of social justice?

12. Evaluation: How will the success (or otherwise) of the project be evaluated?

13. Budget

- a. Enclose an itemised budget with this application.
- b. What other organisations have been approached to contribute to funding?
- c. What resources will your organisation provide to ensure the completion of the project?

14. Do you see this project as ongoing? If so, please note that 2% for Development grants are "one-off" grants. How do you hope to fund the project in the long term?
